**Step 1 - Cleanse:** gently massage face with a small amount of cleanser and remove with a warm wet flannel

**Step 2 - Exfoliate:** apply scrub to the face and gently massage with finger tips. Rinse off with warm water. Only exfoliate 2-3x per week

**Step 3 - Mask:** apply mask over whole face and neck with a mask brush. Leave for 10-15min, then remove with warm wet flannel

**Step 4 - Tone:** soak a cotton pad with tonic and gently wipe over skin to remove traces of make up, rebalance the skin and close the pores.

**Step 5 - Moisturise:** apply moisturiser to face and neck with upwards movements.

### Active Ingredients

If you've ever wondered what goes into your favourite SkinThings product, then look no further than our fact sheet on the subject.

It's all about the wonderful mixture of plant extracts and essential oils that go into making our skincare range the natural choice for your body.

You can find it on our news page at [skinthings.com.au](http://skinthings.com.au)

### Online Shopping

Have you tried our online shop? Along with regular special offers to be found on our site, you can now purchase all your favourite Skin Things products online at [skinthings.com.au](http://skinthings.com.au)

### Youngblood

As well as the regular promotions, SkinThings' online shop sells Youngblood mineral makeup at 10% below retail price!
